

31st International Conference of FFC

Functional Foods and Bioactive Compounds:
Modern and Medieval Approaches

When

On September 29th - October 1st, 2023

Where

At Yerevan State University in Yerevan, Armenia (In-Person and Virtual/Live Online Event).

About

The conference will bring together experts in medicine, biology, and the food industry to discuss the use of functional foods and their bioactive compounds as dietary interventions for chronic diseases.

Abstracts

The deadline to submit your abstract is August 11th, 2023, at 5pm (PST). Please refer to the sample abstract, and submit your abstract to: ffc@functionalfoodcenter.net

Exhibition

Take this opportunity to introduce yourself and your products to experts from food processing companies, universities, research centers, and more. For more information [visit our page](#).

Awards

- Best Oral Presentation
- Best Poster Presentation
- Best Full Paper
- Best Special Session Organizer
- Best Functional Food Products

Functional Food Center

Since 1998, The Functional Food Center (FFC) has been a pioneer in the functional food science field, combining cutting-edge expertise in the biomedical sciences with practical business experience in order to aid in further research, development, and the commercialization of functional food innovations in both domestic and international markets.

5050 Quorum Drive, Suite 700, Dallas, TX, 75254

www.functionalfoodcenter.net/

Venue

Meet us at Yerevan State University (YSU) in Yerevan, Armenia. YSU is located 13.3 km from Zvartnots International Airport. After the conference, explore the "Pink City" and its century-old museums, and more. For more information, please visit armenia.travel/en or [contact us](#).

Main Conference Organizers

The conference is organized by Functional Food Center-FFC (Dallas, TX, USA), Functional Food Institute-FFI (San Diego, CA, USA), Yerevan State University (YSU), The National Academy of Sciences (NAS) of Armenia, The Matenadaran, Mesrop Mashtots Institute of Ancient Manuscripts, Research Institute (Yerevan, Armenia), International Academic Society for Functional Foods and Bioactive Compounds (ASFFBC), The Journal of "Functional Foods in Health and Disease" (FFHD), The Journal of "Bioactive Compounds in Health and Disease" (BCHD) and The Journal of Functional Food Science (FFS).

Sessions & Topics

- 1) Traditional Healthy Food and Medicine in Armenia.
- 2) Discovery, Sources, Potential Health Benefits, and Safety Aspects of Bioactive Compounds.
- 3) Bioactive Compounds for the Management of Chronic and Viral Diseases.
- 4) Functional Foods for the Management of Chronic Diseases.
- 5) Functional Food and Health: A Paradigm Shift in Agriculture.
- 6) Diet and Traditional Healthy Foods in Different Countries.
- 7) Nutrition and Gut Microbiota.
- 8) Research and Development of New Functional Food Products.

For a complete list of sessions & topics, [visit our website](#).
