

# 6<sup>th</sup> International Conference

## Functional Foods for Chronic Diseases: Diabetes and Related Diseases

December 4- 5, 2009, Texas Woman's  
University, Denton, Texas, USA

### Dear Colleagues:

We are pleased to announce the 6<sup>th</sup> International Conference "Functional Foods for Chronic Diseases: Diabetes and Related Diseases" at [Texas Woman's University](http://www.twu.edu). The main goal of the Conference is to bring together experts in medicine, health care, biology, and the food industry to discuss the contribution of functional foods in the prevention and treatment of diabetes.

### Main Conference Topics:

- 1. The epidemiology and health economics of diabetes;
- 2. The modern mechanisms and contributing factors of diabetes;
- 3. Diabetes and its related complications;
- 4. Modern diets for diabetes: preventions and control;
- 5. Functional Foods for the prevention and management of diabetes.

### Submitting of Papers:

- Proposal of papers should be made by e-mail to: [ffc\\_usa@sbcglobal.net](mailto:ffc_usa@sbcglobal.net). The deadline to submit abstracts (up to 650 words) is September 18, 2009, and deadline for articles (up to 3500 words) is October 18, 2009.
- Articles will be included in the book entitled "Functional Foods for Chronic Diseases, Volume 5" which will be published in early 2010.
- Each abstract is charged a \$49.00 submission fee. All accepted abstracts will be published in the Scientific Abstract Book and distributed to conference participants.
