

32nd International Conference of FFC & EXPO - 20th International Symposium of ASFFBC

Discovery, Research and Utilization of Bioactive Compounds:
Development of Healthy and Functional Food Products

When:

October 2 - 4, 2024.

Where:

DoubleTree by Hilton Hotel -

1646 Front Street, San Diego, CA, USA.

The event will be available for participants as a
Virtual/Live Online event as well.

About the Conference:

FFC's 32nd International Conference will bring together experts in medicine, biology, and the food industry to discuss the use of functional foods and their bioactive compounds as dietary interventions for chronic diseases.

Abstracts:

The deadline to submit your abstract is July 31st, 2024. Late abstract publication fee is **\$99.00**. Please refer to the [sample abstract](#), and submit your abstract to ffc@functionalfoodscenter.net.

Exhibitors:

Take this opportunity to introduce yourself and your products to experts from food processing companies, universities, research centers, and more.

Awards:

- Best Oral Presentation
- Best Poster Presentation
- Best Full Paper
- Best Special Session Organizer
- Best Functional Food Products

About Functional Food Center:

Since 1998, The Functional Food Center (FFC) has been a pioneer in the functional food science field, combining cutting-edge expertise in the biomedical sciences with practical business experience in order to aid in further research, development, and the commercialization of functional food innovations in both domestic and international markets.

5050 Quorum Drive, Suite 700, Dallas, TX, 75254

Visit the Functional Food Center
website for information and updates.

About the Venue:

Welcome to the DoubleTree hotel by Hilton in downtown San Diego. DoubleTree provides comfortable guestrooms, on-site dining options, catering, and many modern conveniences. While spending free time or taking a break, feel free to tour the area around the hotel. There are multiple places to visit close to the hotel such as restaurants, parks, and a museum. Our venue is only a few convenient minutes from the San Diego International Airport.

Important Venue & Room Pricing Info

Main Conference Organizers:

Functional Food Center- **FFC** (Dallas, TX, USA),
Functional Food Institute- **FFI** (San Diego, CA, USA),
International Academic Society for Functional Foods and Bioactive Compounds (**ASFFBC**), and
our three accomplished Open-Access journals
featured in the Scopus database; "Functional Foods
in Health and Disease" (**FFHD**, **CiteScore 2.2**),
"Bioactive Compounds in Health and Disease"
(**BCHD**, **CiteScore 3.5**) and The Journal of
Functional Food Science (**FES**, **CiteScore 3.7**).

Sessions & Topics:

1. Definition of Functional Foods, classification and Regulation: Japan, USA, and EU
2. Diet and Traditional Healthy Foods in Different Countries
3. Functional Foods and Bioactive Compounds for Viral Diseases
4. Functional Foods and Bioactive Compounds for the Management of Chronic Diseases
5. Diet and Functional Foods in Healthy Aging
6. Discovery, Sources, Health Benefits, and Safety Aspects of Bioactive Compounds/Molecules
7. Functional Food and Health: A Paradigm Shift in Agriculture
8. Bioactive Compounds/Molecules, their occurrence in foods, and health-promoting properties
9. Functional Foods and Economics
10. Nutrition and Gut Microbiota
11. One Health Approach to Combat Antibiotic/Antimicrobial Resistance
12. Research and Development of New Functional Food Products for Chronic and Infectious Diseases and for General Health
